Due to staffing limitations, UI can only review three (3) Meter Socket Adapter (MSA) applications per quarter.

1. Send an email to MSAapplication@uinet.com.
2. MSAapplication@uinet.com will respond with the required material needed for review of MSA.
3. UI will respond to the manufacturer, confirming all applicable material has been received or requesting additional information.
4. UI will respond with an approval or denial decision within 90 days after receipt of all applicable and requested material pertaining to MSA.
   a. If **approved**
      i. UI will respond to the applicant.
      ii. Add MSA manufacturer and MSA model number to UI website.
   b. If **denied**
      i. UI will respond to the applicant with the reason for the denial.
